

# NEIGHBOR TO NEIGHBOR FUND

*Assisting our neighbors in need*

*I think neighbors helping neighbors is what life is all about. This program makes it so easy to do that. I don't give much, just a little bit every month, added to the little bits others give to help where it's needed right in our community. Thanks for the opportunity. Nancy Reed*

*We are fortunate to live in a lovely community, but we know there are folk who are struggling. We would like to help, but how? How do I connect?*

*This is where Neighbor to Neighbor comes in! They can connect through local agencies to find that family or individual who needs a one-time boost to get back to work or stay in their house or get special medical equipment. It may seem like a small gift, but it might mean the world to the recipient! That is the beauty of a small community. And that is why to honor my late husband, John P. Farnsworth, we suggested donations to Neighbor to Neighbor in his obituary. It is a worthy act that stays locally! Jody Warner-Farnsworth*
